

Biochemistry

Recommended Four-Year Plan (Fall 2021)

The recommended four-year plan is designed to provide a blueprint for students to complete their degrees within four years. Students must meet with their Major Advisor to develop a more individualized plan to complete their degree. This plan assumes that no developmental courses are required. If developmental courses are needed, students may have additional requirements to fulfill which are not listed in the plan and may extend degree completion.

NOTE: This recommended Four-Year Plan is applicable to students admitted into the major during the 2021-2022 academic year.

Fourth Year

Fall Semester	HRS		Spring Semester	HRS	
CHEM 430 - Experimental Biochemistry Lab	2		BIOL 407 & BIOL 407L** - Cell and Molecular Biology Lecture & Lab WI	4+1.5	
CHEM 350L - Physical Chemistry I Lab WI	1.5		Elective Courses	4	
Elective Course RE	4		Elective: TAS-Research Honors Course RE #	1	
Elective: TAS-Research Honors Course RE #	1		Electives for ACS Certification#	5	
Gen Ed: Global Awareness	4
