

Library Research in a Nutshell

Go to the George T. Potter Library homepage:

Use **general databases**
such as:

Welcome to the George T. Potter Library

<http://library.ramapo.edu>

Reference staff will help you learn how to use library resources. Ramapo College students have access to materials not available for free on the Internet. These scholarly resources include thousands of books, periodicals, and multimedia materials. Your instructors will want you to use library resources to make sure you are using reliable and authoritative materials for your research papers.
